Dining Overview

Menu items include freshly made continental breakfast items such as yogurt, granola, bacon, eggs, bagels, muffins & breads. Lunch includes homemade soups, pre-packaged specialty salads, sandwiches, and nutritional grain bowls. Seasonal dinners are designed around a healthy Mediterranean Diet that focuses on locally grown and sourced lean meat and fish, whole grains, beans, nuts, legumes, and delicious homemade desserts. Four meal plans are available: Regular (no restrictions), Regular/Gluten-free, Vegetarian, and Vegan/Gluten-free. Guests make a choice during registration so we can plan and purchase ingredients accordingly.

Allergies: Snow Farm is unable to accommodate specific preferences or restrictions beyond our gluten-free, vegetarian or vegan meal choices. Students with specific dietary needs or food allergies are welcome to bring additional food to supplement the meal plan; a shared refrigerator is available for student use. Ice is available just down the road for personal coolers.

Students with severe, life-threatening food allergies are asked to call the Snow Farm office (413-268-3101) a minimum of one week prior to arrival.

Campus, Surroundings and Enjoying Downtime at Snow Farm

Snow Farm's spacious, professionally equipped studios and accommodations are housed in both contemporary and historic farm buildings. Campus is peaceful and inspirational with a variety of bird and animal life, plants, trees, pastures and woodland. All of Snow Farm's buildings are within walking distance across grass fields and gentle hills.

There are ample places to relax outside on Adirondack chairs and picnic tables spread across campus. We encourage you to take advantage of your open studio time, as well indulge in down time with a walk, a book or a visit to a local nature reserve. Nearby, there are plenty of lakes, rivers, hiking and cross-country trails, antique shops, colleges and museums. The Williamsburg Market, Hardware, and general stores are all right down the road.

Accommodations

If you are staying on campus in a standard Single or Double room or a Single Plus, you will be housed in one of our dorm buildings. Accommodations are rustic and simple. Standard rooms each have two twin beds, a shelf unit, wall pegs, an overhead light, and a night table with a small reading lamp. Single Plus rooms have one twin bed, a comfy armchair, a desk and some extra amenities, including air conditioning. Each of our dorms consists of a series of bedrooms opening onto a "corridor" which is essentially a roofed deck open at either end. Each dorm has a centrally located bathroom with two each: toilet stalls, sinks, and hot showers.

If you are staying in one of our Deluxe Singles, your room will feature one twin bed, a comfy armchair, a desk and some extra comforts, including air conditioning. You will have access to an en-suite bathroom, shared with the other deluxe single.

If you are staying in the Cottage, you will have one bedroom with two twin beds, a private bath, a sitting room and a kitchenette, air conditioning and an outdoor seating area.

Workshop Confirmation and Cancellation Policy

Confirmation that Your Workshop is Running: Two weeks prior to your workshop start-date, you will receive an email confirming that your class is running based on meeting our minimum enrollment.

Cancellation Policy: To prioritize the health and safety of our community during the COVID-19 pandemic, Snow Farm has adopted a cancellation policy that provides maximum flexibility with no cancellation fee. Any cancellation two weeks or more prior to the start of the workshop can receive a full refund including tuition, materials, housing, and meals; only the \$25 annual registration fee is non-refundable.

Because planning for your arrival means purchasing supplies in advance, cancellations within two weeks of the start of a workshop can receive a full refund on tuition, housing, and meals; the materials fee and \$25 annual registration fee are non-refundable.

Anyone with a positive diagnosis, symptoms, or exposure to someone with COVID-19 or symptoms within two weeks of arrival at Snow Farm should not attend a workshop. Please notify us as soon as possible so we can process your cancellation.

If your plans change for reasons other than illness, please notify us as soon as possible and no later than two weeks prior to the start of a class. Planning for your visit means purchasing supplies, making a commitment to the instructor, and holding space for you in the class that someone else might like. It helps us immensely if students avoid cancelling at the last minute except in the case of illness or emergency.

In the case of missed class time because someone experiences symptoms of COVID-19 while at Snow Farm, the amount of missed class will be pro-rated as credit towards a future class. Once a class begins, there are no refunds or credits for early departure, late arrival, or missed class for any other reason.
