Dining: The Snow Farm kitchen uses high quality all-natural ingredients to offer an array of nutritionally sound choices at every meal. Vegan and gluten free options are available at every meal. A robust salad bar is available with fresh protein and vegetable options and homemade dressings. Treats include warm cookies for lunch and a dessert with dinner. Meals are served cafeteria style and the salad bar is self-service. Snow Farm is unable to accommodate specific preferences or restrictions and will list all ingredients for entrees served. If you have specific dietary needs or food allergies you may bring additional food to supplement your meal plan. There is a participant refrigerator in the Kitchen Office (under the kitchen), and a microwave in the dining hall available for student use.

Non-residential students opting out of our meal plan are also welcome to use the refrigerator, microwave and dining facilities.

Campus and Surroundings

Snow Farm's spacious, professionally equipped studios and accommodations are housed in both contemporary and historic farm buildings. Campus is peaceful and inspirational with a variety of bird and animal life, plants, trees, pastures and woodland. All of Snow Farm’s buildings are within walking distance across grass fields and gentle hills. Nearby, there are plenty of lakes, rivers, hiking and cross-country trails, antique shops, colleges and museums. The Williamsburg Market, Pharmacy/Hardware, and general stores are all right down the road.

Accommodations

If you are staying on campus in a standard Single or Double room or a Single Plus, you will be housed in one of our dorm buildings. Accommodations are rustic and simple. Standard rooms each have two twin beds, a shelf unit, wall pegs, an overhead light, and a night table with a small reading lamp. Single Plus rooms have one twin bed, a comfy armchair, a desk and some extra amenities, including air conditioning. Each of our dorms consists of a series of bedrooms opening onto a "corridor" which is essentially a roofed deck open at either end. Each dorm has a centrally located bathroom with two each: toilet stalls, sinks, and hot showers.

If you are staying in one of our Deluxe Singles, your room will feature one twin bed, a comfy armchair, a desk and some extra comforts, including air conditioning. You will have access to an en-suite bathroom, shared with the other deluxe single.

If you are staying in the cottage, you will have one bedroom with two twin beds, a private bath, a sitting room and a kitchenette, air conditioning and an outdoor seating area.

*Note: each student receives 2 lightweight blankets, a pillow & case, and 2 bath towels.*
