If you arrive earlier than 9:00am, feel free to park (past the pond on the left), walk campus, then check-in with the On-site Coordinator between 9:00-9:45. See the map at the end of this packet for parking information.

Early Arrival: For students registered for **early arrival**, check in is between 4-9pm the evening before your workshop. Check in is at the Dining Hall. If arriving after 9pm, please let us know.

Your On-Site Coordinator

The on-site coordinator is available at check-in and will circulate during meal times. If you are unable to find them and need assistance, please call **413-387-3181** between 8am-9pm daily. You can also reach an on-call staff member at this number for AFTER-HOUR EMERGENCIES.

Dining and Meal Plans

12:15-1pm Lunch: *All three days*

6:15-7pm Dinner: *Day 1 & 2*

**A Continental Breakfast is included on Day 1 for Early Arrivals only.*

Residential students: All meals are included for residential students.

Non-Residential Students: Day students wishing to eat meals on campus need to purchase a meal package prior to arrival. Lunches Only and Full Meal packages are available.

COVID-19 UPDATE: Snow Farm has developed an extensive plan to maintain the great quality of our food, reduce risk, and comply with all health guidelines determined for dining during COVID-19.

Meals: The Snow Farm kitchen uses high quality all-natural ingredients to offer an array of nutritionally sound meals throughout your stay. Guests will choose a meal plan in advance of coming to Snow Farm, which will apply to all their meals. Choices are gluten-free, vegan, or no-restrictions. Vegan meals can be made gluten-free upon request. All meals will be freshly made and then packaged for delivery to your studio (lunches, weather permitting) or pick-up in the dining hall (breakfast and dinner). Guests select their meal choice via the Student Information form (link on page 1).

Dietary Restrictions: Snow Farm is unable to accommodate specific preferences or restrictions. If you have specific dietary needs or food allergies you may bring additional food to supplement your meal plan. We are unable to provide a shared refrigerator at this time, though ice can be purchased in town for personal coolers.

Dining Facilities: Indoor and covered outdoor seating is available for everyone at the dining hall. There are additional outdoor tables and seating options spread throughout campus with both under-cover and open-air options. We also encourage guests to bring a picnic blanket or folding chair to have a meal next to the pond, under a tree, or any place in our gorgeous landscape that looks appealing, while maintaining 6' social distance.

At the dining hall, tables are all spaced at least 6' apart. Guests will be asked to share tables only with their classmates or traveling partners. Guests need to wear masks in the dining hall except when eating. If weather dictates that everyone will be eating inside, mealtimes may be staggered.

Enjoying Downtime at Snow Farm

There are ample places to relax outside on Adirondack chairs and picnic tables spread across campus. We encourage you to take advantage of your open studio time, as well indulge in down time with a walk, a book or a visit to a local nature reserve.

Campus and Surroundings

Snow Farm's spacious, professionally equipped studios and accommodations are housed in both contemporary and historic farm buildings. Campus is peaceful and inspirational with a variety of bird and animal life, plants, trees, pastures and woodland. All of Snow Farm's buildings are within walking distance across grass fields and gentle hills. Nearby, there are plenty of lakes, rivers, hiking and cross-country trails, antique shops, colleges and museums. The Williamsburg Market, Pharmacy/Hardware, and general stores are all right down the road.

Accommodations

If you are staying on campus in a standard Single or Double room or a Single Plus, you will be housed in one of our dorm buildings. Accommodations are rustic and simple. Standard rooms each have two twin beds, a shelf unit, wall pegs, an overhead light, and a night table with a small reading lamp. Single Plus rooms have one twin bed, a comfy armchair, a desk and some extra amenities, including air conditioning. Each of our dorms consists of a series of bedrooms opening onto a "corridor" which is essentially a roofed deck open at either end. Each dorm has a centrally located bathroom with two each: toilet stalls, sinks, and hot showers.

If you are staying in one of our Deluxe Singles, your room will feature one twin bed, a comfy armchair, a desk and some extra comforts, including air conditioning. You will have access to an en-suite bathroom, shared with the other deluxe single.

If you are staying in the cottage, you will have one bedroom with two twin beds, a private bath, a sitting room and a kitchenette, air conditioning and an outdoor seating area.

COVID-19 Update: For safety and for cost cutting (Snow Farm has incurred many new expenses), guests will need to bring their own linens: sheets and blanket, pillow and pillowcase, and towels.

Enrollment and Cancellation

Confirmation that Your Workshop is Running: Two weeks prior to your workshop start-date, you will receive an email confirming that your class is running based on meeting our minimum enrollment.

Cancellation Policy: To prioritize the safety of our community, we have revised our cancellation policy to provide maximum flexibility. We have waived all cancellation fees and can issue a full refund up to the day a class begins; only the \$25 annual registration fee is non-refundable. However, as partners in this process, we hope you will consider the following when you make your plans:

- Anyone with a positive diagnosis, symptoms, or exposure to COVID-19 within two weeks of a class starting should let us know immediately so we can process a refund.
- Those who need to cancel for any other reason are asked to confirm plans no later than two weeks prior to the start of a class. Planning for your arrival means purchasing supplies, making a commitment to the instructor, and in the case of a full class, holding a spot that someone else might like. As we re-open, it will help us immensely if students avoid cancelling at the last minute except in the case of illness or similar emergency.
