Dining and Meal Plans

8-8:45am  Breakfast: Monday - Saturday
12:15-1pm Lunch: Monday - Friday
6:15-7pm Dinner: Sunday - Friday

*Residential students:* All meals are included for residential students.

*Non-Residential Students:* Day students wishing to eat meals on campus should purchase a meal package during registration.

*Dining:* The Snow Farm kitchen uses high quality all-natural ingredients to offer an array of nutritionally sound choices at every meal. Vegan and gluten free options are available at every meal. A robust salad bar is available with fresh protein and vegetable options and homemade dressings. Treats include warm cookies for lunch and a dessert with dinner. Meals are served cafeteria style and the salad bar is self-service. Snow Farm is unable to accommodate specific preferences or restrictions and will list all ingredients for entrees served. If you have specific dietary needs or food allergies you may bring additional food to supplement your meal plan. There is a participant refrigerator in the Kitchen Office (under the kitchen), and a microwave in the dining hall available for student use.

Non-residential students opting out of our meal plan are also welcome to use the refrigerator, microwave and dining facilities.

Evening Activities
All students are encouraged to take part in the following events:

*Sunday - Instructor Slides:* Following a brief orientation, each instructor will present for 5-10 minutes, showing images of their work and discussing inspiration, techniques, and lives as artists.

*Monday – Studio Tour:* We start the week with an opportunity to visit each studio and hear from other students about what each class will focus on in the week ahead. This is an opportunity to get your bearings on campus and connect with fellow students.

*Wednesday Afternoon – Free time, open studio, massage:* Students have the afternoon off to work independently in the studios or enjoy the bounty of the Pioneer Valley or nearby Berkshires. Ask your on-site coordinator for tips on local attractions. Also, Snow Farm favorite, Brianna Spano, will be on campus to offer Swedish deep tissue massage at $70 for 45 minutes of massage.

*Thursday – Film Night:* Put your feet up and indulge in some popcorn and a flick in the Common Room. The Coordinator will take a vote on a movie or two for viewing.

*Friday - The Art Reception & Auction:* The Art Reception features work made by students during the week accompanied by wine and hors d’oeuvres. A few volunteers from each class will be asked to help set up the show between 3:30-5:00pm. The reception starts at 5:00pm and is followed by a special dinner and the Auction.

The Auction is a lively event that raises money for Snow Farm’s High School Program Scholarship Fund. Both staff and participants may donate work to be auctioned; prices range from $2 to $100 or more – anything goes! We have had tiny sketches, “cast-off” castings, prints, finished pieces, you name it. We are grateful for all participation!

Campus and Surroundings
Snow Farm’s spacious, professionally equipped studios and accommodations are housed in both contemporary and historic farm buildings. Campus is peaceful and inspirational with a variety of bird and animal life, plants, trees, pastures and woodland. All of Snow Farm’s buildings are within walking distance across grass fields and gentle hills. Nearby, there are plenty of lakes, rivers, hiking and cross-country trails, antique shops, colleges and museums. The Williamsburg Market, Pharmacy/Hardware, and general stores are all right down the road.
Accommodations
If you are staying on campus in a standard Single or Double room or a Single Plus, you will be housed in one of our dorm buildings. Accommodations are rustic and simple. Standard rooms each have two twin beds, a shelf unit, wall pegs, an overhead light, and a night table with a small reading lamp. Single Plus rooms have one twin bed, a comfy armchair, a desk and some extra amenities, including air conditioning. Each of our dorms consists of a series of bedrooms opening onto a "corridor" which is essentially a roofed deck open at either end. Each dorm has a centrally located bathroom with two each: toilet stalls, sinks, and hot showers.

If you are staying in one of our Deluxe Singles, your room will feature one twin bed, a comfy armchair, a desk and some extra comforts, including air conditioning. You will have access to an en-suite bathroom, shared with the other deluxe single.

If you are staying in the cottage, you will have one bedroom with two twin beds, a private bath, a sitting room and a kitchenette, air conditioning and an outdoor seating area.

Note: each student receives 2 lightweight blankets, a pillow & case, and 2 bath towels.
