If you arrive earlier than 9:15, feel free to walk campus or grab a beverage in the Common Room and then check-in with the On-site Coordinator between 9:15-9:45. See the map at the end of this packet for parking information.

Snow Date Postponement Policy
New England weather can be a bit unpredictable! For early April workshops, we will monitor the forecast leading up to your workshop. In the event that a Winter Storm Warning is issued in our area, we will likely postpone to your workshop’s Snow Date. If a threatening storm develops, we will be in contact with you by phone and email in the day or two before your workshop.

Dining and Meal Plans
During our April workshops, only lunch is served on campus. Students wishing to eat lunches on campus should purchase a lunch package during registration. Lunch is served from 12:15-1:00pm.

The Snow Farm kitchen uses high quality all-natural ingredients to offer an array of nutritionally sound choices at every meal. Vegan and gluten free options are available at every meal. A robust salad bar is available with fresh protein and vegetable options and homemade dressings. Treats include warm cookies. Meals are served cafeteria style and the salad bar is self-service. Snow
Farm is unable to accommodate specific preferences or restrictions and will list all ingredients for entrees served. If you have specific dietary needs or food allergies you may bring additional food to supplement your meal plan. There is a participant refrigerator in the Kitchen Office (under the kitchen), and a microwave in the dining hall available for student use.

**Campus and Surroundings**
Snow Farm’s spacious, professionally equipped studios and accommodations are housed in both contemporary and historic farm buildings. Campus is peaceful and inspirational with a variety of bird and animal life, plants, trees, pastures and woodland. All of Snow Farm’s buildings are within walking distance across grassy fields and our unpaved road. Nearby, there are plenty of lakes, rivers, hiking and cross-country trails, antique shops, colleges and museums. The Williamsburg Market, Pharmacy/Hardware, and general stores are all right down the road.

**Packing**
Some Suggested Items for all Students.
- Water bottle and/or travel mug – we have excellent spring water and a hot beverage counter
- A flashlight or headlamp for getting around campus at night – exterior lighting is minimal
- Comfortable closed-toed shoes for the studio and a smock or apron
- In inclement weather: Rain, mud, or snow boots with good traction if conditions are icy and warm layers!

Also, refer to the **Workshop Overview & Student Supply List** for your class for specific items needed for your workshop.

- **Cancellation**: In the unhappy event that you need to cancel your enrollment, arrive late or depart early, tuition and housing fees are non-refundable within 30 days of your workshop.
- **Low Enrollment**: Occasionally, a class does not meet minimum enrollment, and Snow Farm will need to cancel. In that case, students can choose a different workshop or receive a full refund. If your travel plans include airfare or other non-refundable expenses, please check with us about the status your workshop before you finalize your purchases. You will be notified within three weeks of the start of your workshop if there is any jeopardy of cancellation.
